- Monthly house meetings
- Monthly surveys, please let us know how
- We can improve
- Reviews
- Meetings with the manager
- You can go to these in person or attend via Skype, email, telephone

Your bedroom:

Your bedroom is where you can keep all your belongings.

You may want to have your favourite colour on the walls or on your bedding, or put up your favourite photos, pictures. We can help with these when you feel ready. Your bedroom is your space where you can go to have some space or to go to play quietly if you want to and we will check from time to time to check you're okay.

When you go to bed, staff can spend some time with you, reading, watching TV until you feel tired, if you want us to.

Before staff leave your room, they will turn your TV off for you to have a good sleep.

We will have to look in your room every day to check that it is not too untidy and that your furniture is not broken. If your room needs a tidy up, we can help you or if you can do this yourself, but please remember, ask if you need something or tell us if something is broken.

Clothing:

We will go in your bedroom to check to see if you need any new clothes, like new coat, socks, jumpers, trainers, shoes, or anything which you may need.

Pocket money:

You will have pocket money on a Friday, after school time. For you to have your pocket money we like to see if your bedroom is tidy. We will have a plan to say if you can have your pocket money in your hand, if not, staff will go with you to spend the money and put any money not spent in the office to save for you.

You can get £..... pocket money each week!

Incentives:

When you move in we will put together an incentive programme with you so that you have rewards and can celebrate by doing things you enjoy when you are doing well. You can earn up to £7 on your weekly incentives.

Education

Your Social Worker will let us know where you go to school and if we will be taking you to and from your school.

BUT if you are not able to stay in your previous school, there are some things we will do while we are waiting to go to school. We help you keep busy in the day, like cooking cakes/biscuits, going for walks, doing some basic education at the house which may include playing games, colouring, arts and crafts.

Your Social Worker may arrange for a Home Tutor to come to see you at Graig Y Bedw not for you to miss out.

We have teachers who work for Priority Childcare, and they work at the other's houses. Your Social Worker may agree for you to attend there. We will take you to and from the other home.

Staff will stay with you if it is in your plan, which we can talk to your Social Worker about.

Keeping in contact

There will be a plan in place for your contact with your family or other important people in your life.

Your Social Worker will let us know when you come to stay with us who they are. A meeting will take place with your Social Worker, and this is usually after you move into Graig Y Bedw.

When you have someone coming to see you, they will be able to see you in the living room, or if the weather is good, we have a great back garden you can spend time in.

We want you to be happy and make friends when you stay with us. We would like to know your friend's names, where they live and get to meet them. We will put a plan in place to help you meet them and be able to go on activities in the community if it is a safe place to go. We might also come with you to make sure you are okay.

Your social worker will visit you regularly and we will keep in touch with them to let the know how you are doing. If you wanted to speak to your Social Worker, please tell us and we can phone them for you.

Staying healthy:

When you arrive, we will register you with a local doctor, dentist and optician, if you were not able to stay with the one you were with before moving here. We will take you to regular appointments to make sure your teeth and eyes are okay.

If you are ever feeling unwell though, please tell one of the staff and they will take care of you. They will phone the Doctor and make an appointment for you to see them. Your Social Worker will also give us permission to be able to go the chemist to have some over the counter medication, if needed, to help us to look after you.

We will support you to be fit and healthy and you will always find healthy snacks available at Graig Y Bedw. We will encourage you to make healthy meal choices but understand that not everyone likes everything so you will be involved in choosing the meals and what is bought in the house shop.
